Original songs of well-known fairy tales, such as Little Red Riding Hood, Billy Goats Gruff, Jack and the Beanstalk and Rumpelstiltskin. 17 MP3 Songs KIDS/FAMILY: Children's Storytelling, FOLK: Traditional Folk Details: Mary Lafleur, who won the Parents' Choice Gold Award for her first children's recording, PINK ELEPHANTS, is at it again with her second release: MORE PINK ELEPHANTS: FAIRY TALE SONGS AND POETRY. No, it has nothing to do with ELEPHANTS and everything to do with telling a good story from an interesting, maybe even enlightened, point-of-view. The tales on this CD are more tongue-in-cheek than her earlier songs such as "Goldilocks" and "Chicken Little" and "The Little Red Hen." The message, for instance, in "The Wolf and 3 Little Pigs" might boil down to "Buy a brick home." The songs work especially well in Fairy Tale units where teachers compare different versions and media.
