Classic Christmas songs featuring Michael Damian and his family. 14 MP3 Songs CLASSICAL: Contemporary, EASY LISTENING: Background Music Details: Michael Damian is a multi-faceted performer who, in addition to his television credits, has scored a Billboard Number 1 hit with "Rock On", earned a BMI songwriting award for his composition "Was It Nothing At All", and starred in a record-breaking Broadway production of "Joseph and the Amazing Technicolor Dreamcoat." Michael's musical success is a combination of genetics, hard work and perseverance: he is the second youngest of nine children whose parents shared with their family a deep appreciation and love for music - as well as a desire to create it. Michael started performing at the age of 10 (vocals/organ/vibes), joining his siblings in their band "The Weirz", before launching his solo multi-media career. On "Michael Damian and Family: The Christmas Album", Michael once again enlists the help of his relatives - more than 20 family members in all, including his classically trained mother, Maria, who provides piano arrangements, accompaniment, and production; father Larry Sr.; brothers and regular collaborators Larry Weir (with whom he co-wrote the now-classic opening track, "Christmas Time Without You") and Tom Weir, a well-known producer/engineer/studio owner on the L.A. Music Scene. This Album has everything but a Partridge in a pear tree, although, if you listen carefully, you can actually hear five sisters playing, four nieces singing, three nephews wailing, two sisters' husbands, and a wife and mother-in-law. Product Description: "Michael Damian and Family: The Christmas Album" features the hit holiday single "Christmas Time Without You" which has been getting extensive national airplay on such major markets as KOST Los Angeles, WNEW New York, WEBE Philadelphia, KSSK Honolulu, just to name a few. Additional songs from the album will be performed by Damian on the CBS soap the "Young and the Restless", where he is known to millions of fans from his role as Danny Romalotti. In addition to the

single, the album contains 11 holiday classics and two other originals, which are soon to be. Adding their considerable talents to the production are world-class musicians, including Tim Pierce (guitars), Josh Freeze (drums), Burliegh Drummond (percussion, drums), Steve Madaio (trumpet), Nick Lane (trombone), JD Daniel (piano), Michael Parnell (programming and keyboards), and Ginger Murphy (cello).
