A unique blend of FRAZZIN (Funk, Rock, Jazz, and Latin) loaded with vocal harmonies. 5 MP3 Songs
POP: with Live-band Production, ROCK: Jam-band Details: Mostly Water has grooved the American music scene with an evolving mix of FRAZZIN (Funk, Rock, jAZZ and LatIN) music with over 50 original songs loaded with vocal harmonies. Originating in San Francisco in early 2000 (under the band name Five7), Keith Hayman and Jon Hartman met coincidentally while shopping for guitars in the Mission District. After jamming, and sharing harmonies, the two combined their vast catalogs of music into one big musical project. Bass player, Leslie Bloome joined the band after moving up from LA, and within a year, Mostly Water was packing clubs throughout the Bay Area. In support of their debut CD, "Live at the Red Devil Lounge", Mostly Water took their show on the road through Lake Tahoe, Colorado and across the United States. The band now plays in the Northeast, and recently added jam/funk saxophonist, Jagon Eldridge, from New Orleans and drummer, Bill Rankin on drums, and Wildman Rocco Pinetta on Percussion. Eldridge plays with Atomik Thunk in New Orleans and has been a featured guest with the Radiators. Get ready to be drenched by Mostly Water...
