

## Mp3 Port Said - Through Veils

[DOWNLOAD HERE](#)

These early recordings, both live and in a home studio were the bands first forays in to electro-acoustic rhythm and melody based music with an accent on middle eastern themes. 6 MP3 Songs ELECTRONIC: Soundscapes, NEW AGE: Ambient Details: It was a heady time for new music. All sorts of electronic artists from all over the world were realizing their audio fantasies utilizing new technologies. These 6 pieces were our first collaborations. The first three were performed live over tape at the Festival of Performing Philadelphia Electronic Musicians at Temple University 12.21.81. The last three were done in an apartment in Queens, true to the DIY ethic. "Port Said continue to be subtle, delicate and relaxing." Mark Lane ON-SLAUGHT Issue #3 Spring 1983
