One of the best ambient soundtracks of 2004. A must for the head phone set. 11 MP3 Songs ELECTRONIC: Soundscapes, NEW AGE: Ambient Details: rick strittmater works as a musician, producer and designer in the maryland and surrounding areas. He has done work in television, film, and video. "NOAH503" is the final work in the "summer bones mythos" to the, yet to be released film, "The lives and times of Black Eddie and Pigboy Otis". The music is a dark textural sea of organic atmospheric soundscapes. Very hypnotic in nature, it takes the listener thru virtual worlds and ambient environments. NOAH503 is a musical gate...the rest...up to you.
