NYC Club Dance Mix- Hottest Selling Song on The Internet. 1 MP3 Songs ELECTRONIC: Dance, URBAN/R&B: Motown Details: The Infernos Band is truly a phenomenon, spanning decades they continue to stay at the forefront of the music curve. By reinventing themselves over and over again, this year they will finally get the recognition they finally deserve. Rotunda Records International is bringing underground music to the masses by not compromising and not selling out. That is why this company has become the modern day saviors of underground music and artist. 1st year American Idol contestant Kelli Glover has graced us with her vocal on the All-American NYC Club Dance Mix. But it was up to our own Kenny Simmons to sell the tune and bring it home. We think he's captured and created a whole new meaning to the song, soon to be dance floor favorite. Independent Music allows artists to introduce their music to a potentially enormous audience at low cost without necessarily affiliating with a major recording label. This allows the artist complete freedom to create the music from the soul of the artist without commercializing the music. Rotunda Records International presents America's# 1 Show Band- The Fabulous Infernos Band and the music they have created throughout the years. Celebrating 5 years in existence Rotunda Records International has been selling music around the world due to the popularity of the Internet. Please support our efforts in keeping the art of making music in the hands of the artist. Buy independent....
