

Rethinking Leadership - Bramwell Osula

[DOWNLOAD HERE](#)

Rethinking Leadership is a different sort of leadership book. With literally thousands of leadership books on the market, and dozens more appearing each day, it is easy to follow the crowd. This book is different in that it does not pretend to be an academic text. This book is written with the ordinary woman or man in mind. 'Ordinary' in this sense does not mean unimportant. Actually, the subtext of this book is that it is precisely ordinary, and therefore somewhat invisible. Individuals are most likely to discover a new brand of leadership by reading this book-their own!
