Kimberly could not believe what her uncle wanted her to do. In order to keep the inheritance of her husband's; her uncle wanted her to get pregnant. Yet, when Hawthorne dies unexpectedly, Uncle Charles kidnaps a man who resembles Kimberly's deceased husband, ties him to a bed, and orders Kimberly to rape the man until she is pregnant. Uncle Charles would kill him, after the deed was done so no one would ever know the truth. Having no choice in the matter, Kimberly faces the exquisite dark body of man and in her innocence prepares herself to steal his seed. Surly, mean tempered Jaelen can't believe someone had the nerve to tie him to the bed. When his cold eyes fall on the beautiful, angelic Kimberly and he realizes her intentions, he vows to escape and get revenge if it takes the rest of his life. Romance Book Cafe® romancebookcaferew: There are two kinds of books. One is the kind I take to bed to read myself to sleep. The other kind I take to bed and read until I finish even if that's 4:00 o'clock in the morning. Stealing Innocence is one of the latter. Sylvia Hubbard draws you into every page of this story. Each character has a unique personality that stands up on the page and talks to you. As far as cliff hangers go, every page is a cliff hanger. "This is a "must" read...Author: Hubbard, Sylvia Publisher: Hub
