The Miracle Mongers Uncover Magical Secrets! Harry Houdini, Reveals All to You! You will Discover the Secrets Exposed by Harry Houdini! You can learn from the master, himself! I found this book a fascinating read. The true power of this book is Harry Houdinis own words. Anyone who is a fan of modern magicians, must look to the ultimate legend: Harry Houdini. The real fun is that Harry Houdini actually speaks to you, of his real life experiences, and sometimes, this is stranger than fiction. A great read. The Miracle Mongers An Expose\* by Harry Houdini Houdini introduces you to his world and the most unusual strange folk and unusual performers of his day. These are magical, true stories, from the greatest magician of all time. Harry Houdini exposes the tricks that astonished everyone, in this book that he authored himself - This is a book on how common psychology, special effects and trickery can create miracles for audiences. The author explains that there may be nothing supernatural in magic but only science and illusion. He also discovers certain performers were able to create affects that could not be duplicated by anyone else. Houdini discusses his own first hand experiences on the curio and dime museum circuit. He discusses actual strong men who engaged in feats of super-human strength. He

refers to miracle mongers who are mere mortal men without any supernatural powers but have the knowledge of how to create illusions and wow audiences. Readers will find interesting tricks and objects used to create illusions. Definitely, a must-read book for magicians and anyone engaged in entertainment business, marketing or sales! A first hand account from the top rated performer of all time! Contents Preface I. Fire worship. Fire eating and Heat resistance II. Wattons Ship Swabber from the Indies III.
