

Genocide By Attrition: The Nuba Mountains Of Sudan - Samuel Totten

[DOWNLOAD HERE](#)

Few people know much about the government of Sudan's genocidal attack against the people of the Nuba Mountains in the late 1980s and early 1990s. This volume documents this atrocity, focusing on crimes that even human rights activists and genocide scholars do not fully understand. Its detailed examination of the forced starvation of the Nuba Mountains people provides a powerful statement, and will be a resource for professionals who teach the subject.
