

## Mp3 Debris - 25 Back To Front

[DOWNLOAD HERE](#)

An updated rock-pop sound with emphasis on pleasure with thought. 18 MP3 Songs POP: Garage Pop, ROCK: American Underground Details: Debris is a four piece band drums, 2 guitars, bass. Formed in fall 1978, Debris has been based in the DC area for 25 years. Debris plays a variety of styles best described as hard pop. Given the length of time Debris has played before audiences, it will adjust to the audience it plays to with the convictions of a band with a broad base of influences- rock, punk, pop, country, blues. Debris does not disappoint. Nearly everyone comes away from a performance with the pleasure they seek.
