DRUID Debut CD NOW AVAILABLE. Five of Irelands leading vocalists Brian, Ciarn, Jeremy, Ken, and Simon bring you the best of Irish songs from ancient to today, accompanied by lush symphonic sounds and rocking grooves. 11 MP3 Songs EASY LISTENING: Classical Pop, WORLD: Celtic Details: DRUID vibrantly captures the essence of the modern Irish spirit. Through the years, Irelands people have spread their wings far beyond their island shores, influencing, enrapturing, and changing countless individuals and societies across the globe. DRUID is a salute to their Irishness and to all who have kept this core and substance alive wherever they may dwell. DRUID summons its audience along a musical journey, emerging from the haze of Irelands pre-Christian times, traveling the paths of oppression, famine, emigration, on to the Celtic Tiger economy, and finally resting on the hopes of the future. It is a celebration of passion for life: an epic tale of mankind's determination and ability to shine ever brighter in the face of strife and misfortune. The performers in DRUID each possess an exceptional talent, ranging in scope from Irish traditional to ballad to pop to classical. Brought together, they form a cohesive musical and vocal unit that is mesmerizing and uplifting, a unique concert experience that is as much Irish as it is Global.
