Original motion picture soundtrack composed by Eric Hester A NOTE FROM THE DIRECTOR: "Once again Eric delivers a moving and breathtaking score that is so much more than I could have ever asked for. Independent film scores rarely have this kind of depth, but Eric creates music in the grand tradition of the great movie composers; I don't know how he does it. This is our third collaboration so I shouldn't be surprised, but I am always taken aback by the breadth of his talent." -Thomas D.
