

# Mp3 Estanis - Maldita Locura

[DOWNLOAD HERE](#)

With an incredible velvet voice, this spanish songwriter of sweet, warm and tender voice offers us his heart in his romantic songs. A cross between Julio Iglesias and his son: Enrique Iglesias, but with a fresh new sound that, for sure, will surprise you. 10 MP3 Songs LATIN: Latin Pop, EASY LISTENING: Love Songs Details: ===== ENGLISH VERSION (Ver ms abajo en espaol) ===== Estanis, a singer who arrives from Spain, with his intimates and romantic songs, mainly soft pop, and ballads. Estanis is the song writer of all his songs and great part of the lyrics of his first Album, "Maldita Locura", an auto-published CD that it's now available here. Since his childhood, Estanis knows which was his great passion: to sing and to offer his heart to the world with his songs and his voice. Step by step, Estanis is beginning to reach his dream. But he knows that the success is not something that is reached overnight. It is left much to cross. Many things to do, and many things to learn. But, nothing to loose, if singing is the unique thing that gives sense to his life. Recently Estanis gathered his "Tabaiba de Oro", as the winner of the III Edition of the International Song Contest of Tenerife (Spain) Also, his song "Dimelo" (Estanis/JJ Portero), receives "Winning Trophy" in the XXIII Latin American Song Contest of San Francisco (California, USA). Now, in solitaire, his first CD, "Maldita Locura" is available just for you. For more information you can visit his Official Web Page at [estanisweb.com](http://estanisweb.com) ===== EN ESPAOL ===== Este cantante y compositor espaol, de voz tierna, aterciopelada, nos ofrece su corazn en las diez romnticas canciones que Estanis ha compuesto para su nuevo disco: "Maldita Locura", autoeditado en Espaa por "Ediciones Pae" (Plataforma de Autoeditores). Ahora, en solitario, Estanis nos hace llegar su primer trabajo musical: "Maldita Locura", un lbum que cuenta con la cuidada produccin musical de P.Manresa y J.Dez (Elche/Alicante). La voz de Estanis nos recuerda a nuestro

internacional cantante, Julio Iglesias, mientras que la produccion musical y los ritmos de sus canciones, se aproximan ms al estilo de su hijo Enrique, con un sonido ms fresco, ms actual. En definitiva, una voz a la que auguramos un buen lugar dentro del Pop-Romntico actual. Estanis, con su cancin "A Solas" (Estanis/F.Tallafet), gan la 3 Edicin del Festival Internacional de Tenerife. En 2003, su cancin "Dmelo" (Estanis/JJ Portero), obtuvo el "Trofeo Ganador" en el XXIII Festival de la Cancin Latinoamericana de San Francisco (California, USA). Desde nio Estanis sabe cual es su gran pasin: cantar y ofrecer al mundo su corazn a travs de sus canciones romnticas y su meldica voz. Da a da, Estanis est empezando a alcanzar su sueo. Pero l sabe que el xito no es algo que se alcanza de la noche a la maana. Queda mucho por recorrer. Mucho por hacer, y mucho por aprender. Pero, nada que perder, si cantar es lo nico que da sentido a su vida. Visita la Web Oficial de Estanis en: [estanisweb.com](http://estanisweb.com)
