"Bdouine" is the second release from famous Tunisian and international guitarist Fawzi Chekili, ten tracks penned by the leader show the fine nuances of his jazz guitar roots, and once again how he combines jazz with ethnic sounds from Tunisia on first r 10 MP3 Songs JAZZ: World Fusion, JAZZ: Weird Jazz

Details: "Bdouine" is the second release from famous Tunisian and international guitarist Fawzi Chekili, ten tracks penned by the leader featuring Oliver Kent (electric piano) Heimo Wiederhofer (drums) Werner Feldgrill (electric bass) Habib Samandi (percussions) Youssef Chawali (accordeon) show the fine nuances of his jazz guitar roots, and once again how he combines jazz with ethnic sounds from Tunisia on first rate original compositions. His dynamic guitar style blends jazz and world music traditions with a distinctive, intense, melodic flair. On this second release Fawzi invited first class musicians from Austria and Tunisia. His compositions reflect a variety of styles and approaches.
