

# Mp3 Hugo & The Red Room - Smoke Yourself Thin

[DOWNLOAD HERE](#)

The Ramones, The Clash and The Stooges go on an all night drink fest and end up seni-naked in a small, inflatable pool. 10 MP3 Songs ROCK: Emo, POP: Power Pop Details: 'The Psychos and the Dockers, the Next Generation' - Jeff Jenkins, In\*Press Magazine 'Their sound brings to mind The Lime Spiders, The Celibate Rifles and even a little of the old Weddings Parties on one of their good nights. An admirable capacity for big loud noise' - Claudine Lee, Beat Magazine 'Hugo the Red Room are the closest thing to cool as I've seen in a long while' - Stephen Green - Aus Music Biz Website 'Smoke Yourself Thin is an album of great guitar-punk pop songs with catchy hooks and a none-too-subtle sense of humour and is a mightily under-acknowledged release. This is the sort of stuff that JJJ usually relish and end up playing to death' - Rick Rutjens - In\*Press Magazine 'Sorry!' - John Howard, after bending a fresh biscuit on the floor at a Hugo gig. Hugo would love to play their pop-punk-cabaret just for you. Get on down and let us rub some love on you.
