An adventurous solo keyboard disc that won't stay in the genre "box", seeking the common humanity beneath the categories we insist on dividing our arts into. 12 MP3 Songs JAZZ: Jazz Fusion, CLASSICAL: Traditional Details: A versatile pianist/ keyboardist in the Milwaukee, WI. area, John Hefter has been performing in Jazz and Rock combos and as a solo pianist for the past decade. Find out where John is performing in S.E. Wisconsin at: johnhefter.com John is also a composer who enjoys writing for the groups he has performed with as well as with other composers and songwriters when the interest arises. In 2003 he released "After Carefree Consideration" , a homespun sampling of his works arranged for solo keyboard. A current area of exploration is writing or arranging short compositions for filmmakers. He recently completed two pieces for a student filmmaker's adaptation of a Franz Kafka short story, and a bizarre 3 handed piano arrangement of "Turkey in the Straw" for a period documentary.
