

# Mp3 John Two-hawks - Come To The Fire

[DOWNLOAD HERE](#)

Be consumed by the flame of transformation, and rise from the ashes, a new being, forever changed. You have been invited. Your place at the fireside awaits. It is time.... Come to the Fire 16 MP3 Songs

WORLD: Native American, WORLD: World Traditions Details: Enter the sacred circle of ancient ancestral wisdom. Sit with John Two-Hawks beside the dancing fire of a thousand visions. Feel the silent release of your weary soul as it departs from the stress of the thin, plastic world of electric sunshine and enters into the fullness of warm, flickering tranquillity. Be consumed by the flame of transformation, and rise from the ashes, a new being, forever changed. You have been invited. Your place at the fireside awaits. It is time.... Come to the Fire. This sensational new CD is already receiving rave reviews from within Indian country, from the music industry and from radio feedback. Deeply traditional in concept and composition, yet fresh with new, ear tickling arrangements. This is truly a fantastic CD, a real musical masterpiece from a real master virtuoso flutist, musician and composer extraordinaire. ARTIST BIO John Two-Hawks, a multiple NAMMY nominated artist who has contributed his incredible music to multi-platinum selling projects, is regarded as one of the top Native American flute players in the world. His powerful, enchanting music and teachings are loved by people across the globe. A master of literally dozens of instruments, Two-Hawks is especially esteemed for captivating audiences with his haunting cedar flutes and amazing voice. His many best-selling CDs, including 'Good Medicine', 'Honor', HEAL and 'Traditions', have earned him a distinguished reputation as one of the world's premier Native American musicians. John Two-Hawks is a beautiful, gentle soul, as well as a brilliant composer, and this all comes through in his wonderful, one-of-a-kind music.
