Details: Hello my name is Kenny McGeorge and I have been writing, singing, playing, and recording my original songs for many years. This CD "Above the Clouds Rain" has been a year long project in which I play all instruments and all vocals. I believe the songs should be out front not the production. I have also recorded four songs in Nashville on Wild Oats Records Singer/songwriter series Vol 4 "Roads Less Traveled" (also listed on Cd Baby). K.M. People who are interested in Jackson Browne Ian Anderson Al Stewart should consider this download.
