This Christmas CD by jazz harpist Lori Andrews may be traditional Christmas songs but it's guaranteed you've never heard them like this. Lori's electric harp is accompanied by drums, bass sax and flute. 11 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Background Music Details: "If you think you've heard it all, check out Lori Andrews, who single-handedly, no . . . double-handedly, redefines the possibilities of the harp and turns it into a funky jazz instrument. Incredible! She's the rhythm, the bass, the melody, all intertwined in a way that you just have to see and hear to believe. Lori's music is creating a new future for an instrument rich in history and . . . she makes it swing!" -Bob James, jazz pianist. Lori Andrews is a gifted and energetic performer who takes the harp beyond tradition and into the elements of jazz, fusion and R&B. Having 7 CDs to her credit, she has performed for Presidents Clinton and Ford, and the King and Queen of Spain, and has entertained a list of celebrities including Barbra Streisand, Frank Sinatra and Clint Eastwood. Winner of the Jazziz Readers' poll as best harpist, Lori's band has been featured at various jazz festivals including Playboy, Long Beach, Newport Beach, Sacramento and Idyllwild. Backing entertainers such as Richard Dryfuss, Helen Hunt, Ashley Judd, Anne Heche and Charlize Theron, The Lori Andrews JazHarp Quartet is the house band every year at the Academy Awards Technical Achievement Division which is the evening that the first Oscar Award is given, playing award recipients on and off the stage. Lori's TV and movie appearances include: Beaches, In the Line of Fire, The Tonight Show, Mambo Kings, Drew Carey, Ally McBeal and MAD TV. "Lori has a unique style that captures the appeal of any audience. Hearing is believing!" -Scott Yanow, editor All Music Guide to Jazz.
