

# Mp3 Magnetic Flux - Rock-n-roll

[DOWNLOAD HERE](#)

Magnetic Flux creates music that is fresh, familiar, unique and to the point. Music you want to turn up and turn up loud. Music that can stand the test of time. The sound is a mixture of punk, hard rock and old time rock-n-roll. Music to party to. 10 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: The "Rock-n-Roll" disc was brought to life in 2003. The songs from "Rock-n-Roll" were picked from 45 songs. Magnetic Flux recorded the bulk of disc at Head First Media in Louisville Ky. Song titles "Wasted". "Faces", "Dogged", "Lie to Me", "Skin", "Come On", and "Down" were tracked, mixed and in three weeks at Head First. The intro song "Rock-n-Roll" was recorded on a Four Track Recorder in the Magnetic Flux band house. "DragonFly" was recorded in New York City at Threshold Studios. "City on Fire" was recorded in Bobby's house in Louisville Ky. The "Rock-n-Roll" disc was masterd at 1132 in Louisville and produced by Magnetic Flux. Magnetic Flux would like to thank everyone who has lended a hand or two in some cases three, a big fat rock-n-roll kiss. Magnetic Flux would also like to give lots of love to "the rock-n-roll junkies" for their loyal support. So get the disc one way or the other and be a part of the next rock-n-roll generation.
