Details: This EP is a collection of mostly acoustic folk songs, written and recorded by Matt Watts in his home studio in Belgium. Matt Watts spends most of his time playing songs to his plant, pretending hes whispering into the ears of billions and billions of tiny civilizations. He flew over the Atlantic ocean from the Americas for, what other than-love. He hopes to bring his songs to your city and fill YOUR ears with his melody, rhythm, and broken Flemish. Although he lives in Belgium, he is most famous with his family in the south east of the united states, and his mountain folk friends along the Missouri- way back west. He is currently working on perfecting his curry sauce and playing more monopoly with his wife Sarah. for more information visit this website:
