An intimate acoustic solo work by Stephen Bishop 17 MP3 Songs POP: California Pop, EASY LISTENING: Love Songs Details: Yardwork is Stephen Bishop's first studio album in 7 years. It is also his first solo album. Recorded with just Bishop's guitar and voice. Containing many new songs as well as several familiar ones. "On and On," and "Separate Lives" are covered on this album in Bishop's own unique style. Some cuts have vocal and guitar overdubs but the purity of the song comes through in Bishop's own memorable style. His songs have been recorded by Eric Clapton, Phil Collins, Barbra Streisand, Art Garfunkel, David Crosby, Steve Perry, Pavarotti, to name a few... but here are 17 songs recorded in acoustic fashion by songwriter Stephen Bishop. An intimate listening experience.
