

Mp3 Tony Rackley - Fields Of Carolina

[DOWNLOAD HERE](#)

An americana, bluegrass blend of country folk that brings folks like Peter Rowan and Tim O'Brien to mind. 11 MP3 Songs COUNTRY: Bluegrass, FOLK: Traditional Folk Details: Tony Rackley has been steadily honing his craft for the last ten years. An accomplished singer/songwriter, tony has spent the last five years in nashville with a publishing deal. He has continually added to his growing legion of fans wherever he's heard. Tony's music can best be described as "Americana". A rich blend of country,bluegrass, folk and roots music. Tony's latest release "Fields of Carolina", is a collection of beautifully done, well crafted songs with ace players, Missy Raines, Jim Hurst, Aubry Haynie and Rob Ickes. All of them , the best in the Bluegrass field. The title track of the new cd can also be heard on Jim and Missy' new cd "Two" on Pinecastle records. After coming full circle with his carrer, Tony Rackley has finally found the music he's been searching for. Music that is timeless, music that sparks a fire in your soul. Music thats from the country, but a lot different from what "Country Music" means today!
