Known for their versatility and unique three-part harmonies, they love to entertain as Track 45. They arrange their music themselves and delight audiences of all ages. They also enjoy taking their music into the schools through their Diggin' Our Roots educational program that traces Mississippi's musical heritage. Jenna is our "vocal powerhouse" and amazes audiences with her versatility. She can belt out a country or bluegrass, then switch to a beautifully controlled soprano for lyrical Irish ballads, traditional or classical tunes. She is 18 years old and plays the piano and guitar. Benjamin is the "heart of our sound" as our arranger (almost all of our arrangements are his), composer, and "tuner!" He is sixteen years old and plays the piano, cello, mandolin, guitar, banjo, and bass. Kelly Katherine (K.K.) was born to entertain. Audience members always fall in love with her because, as they say, "She makes us smile and feel happy!" She is twelve years old and plays the piano, mandolin, guitar, drums and violin (fiddle).
