## DOWNLOAD HERE

Pop, darkwave, futurepop, synthpop club dance with goth undertones - female lead. 7 MP3 Songs ELECTRONIC: Trance, ELECTRONIC: Pop Crossover Details: First Embrace is the second single from Tristraum's debut album "Gray". It hold four remixes of the title track, two exclusive remixes of "I'm Under No One" and a rare B-side of "Shiver" taken from the limited 12" vinyl release. Style ranges from darkwave/electro to trance. Tristraum's first single "Shiver" was charted on the German DAC charts in 2004. This single is sure to follow. Strong female vocals over lush synth soundscapes. Empire State Human's (Ireland) remix is one of their best to date. Lime n Dale (Germany) and Amurai produce epic trance. God Project is dark and moody. Sequentia's (Argentia) has been long overdue. Produced over a year ago for the "Shiver" maxi but saved for this release. Tristraum is a trio located in Denver, Colorado, USA. See website for complete discography and bios. CD Baby stocks all three Tristraum releases in addition to our record label's (Section 44) catalog - section44.com Welcome to Tristraum. Enjoy.
