Switching Control Ann Jacobs Book 2 in the Club Rio Brava series. Dr. Tom Latimer is into major kink. A respected member of San Antonio society, he needs a mate who can not only satisfy his Dominant sexual needs but also act as a life partner, submissive lover, companion and friend. He's about to throw up his hands in defeat and admit no such woman exists for him when his eye is caught by Selina Harrison at Club Rio Brava. Selina is a big, beautiful wannabe Domme with a pedigree as long as his own, a history of spousal abuse that killed her trust in men—and a secret taste for the sort of loving dominance Tom wants to give. But as Tom discovers, things are not always what they seem. The sexy doctor's pulling out all the stops to convince the Domme with the luscious curves and baby-soft skin that switching sides and submitting to him are worth risking her heart—and her trust. Publisher Note: The Club Rio Brava series is spun off A Mutual Favor. The stories in the Club Rio Brava series originally comprised the Members Only series from another publisher but have been completely rewritten for Ellora's Cave.
