In this book, I leave nothing out. Youll discover all the latest killer information youll need, from developing, to creating, to marketing your own ebooks online. Who is this ebook suitable for? The eBook Success Blueprint is suitable for..... Internet newcomers or seasoned internet marketers Anyone with or without any writing experience People of all ages Anyone looking to make extra money online People who deserve more than what they have at the moment but until now havent found the answer to what they were looking for.

In short, this book is for you. Heres a brief summary of what is included in The eBook Success Blueprint.... The hidden resources, you can use for free to choose your ebook topic How to get someone else to write the ebook for you, for free! How to create your ebook. (Choose the wrong option and youll be losing sales immediately) How to create a killer sales letter. (Well show you exactly how, with copywriting tips from the experts) How to create your website without learning HTML Youll discover all the no cost and low cost ways to market your ebook. (Forget FFA pages, safelists and classified ads, well show you how to really make money) How to take your ebook to the next level of success. (Most people fail without this knowledge) How to test and track all your marketing efforts with 100 deadly accuracy. So you can guarantee youll make money with everything you do! A hidden resource that will send you the top searched for words and phrases from the search engines, direct to your inbox every single week, absolutely free! With this information, youll easily create an ebook that will be in high demand. The Quick and easy layout formula you will use for your ebooks, that makes it ultra simple to write a huge amount, without even realising it! (Youll never have to worry about not having enough to write about again) How to create PDF ebooks that can be used on any computers (ie PC and MAC compatible) without buying Adobe Acrobat Writer. (A \$299 saving!) Youll discover the 7 Quick and Easy Headline Formulas - Your Instant Reference Guide To Creating Dynamic, Attention-Getting Headlines. (It is commonly found that 5 times as many people read the headline as the body copy. So youll need this to create the perfect headlines) How to write killer ad copy just like the professionals. Learn this and youll have people falling over themselves to give you their credit card details! How to create a professional, formatted web page to sell your ebook, without learning HTML. (This is so easy, even a child could do it!) How you can easily accept credit card payments. (Takes less than 5 minutes to set up and you have no monthly or annual fees) How to avoid the one fatal error many people make, when choosing their hosting package. (If you dont avoid this error, your site will be shut down) The quick and easy FTP guide. Discover how to easily transfer your files to and from your server, with full simple instructions and even pictures! How to choose the perfect domain name. How to price your ebook for maximum profit. The Irresistable Joint Venture Formula. This lets you fly under the radar of large ezine owners and have them more than willing to announce your ebook to their list. The hidden resource that you can use to advertise to lists of 100,000+ for just \$20. (This has nothing to do with safelists, FFA pages, free classified ads or spam. This actually works!) How to optimize your website for a high search engine position. (Make sure you dont lose out on

all that free traffic) How to create your own ezine and build a list of potentially thousands of people, who you can market to over and over again. It really is true - The Money Is In The List. How to use autoresponders effectively. These are one of the easiest and best tools you can use to make huge profits. How to start your own affiliate program and get hundreds or even thousands of people selling your ebooks for you. Imagine having your own huge sales team that you only ever pay when they make a sale. You simply cannot lose. Ill do even better than that, Ill show you how you can set up your own affiliate program, for free! In no time at all, youll have people selling your ebooks for you. All you will be doing is counting the money that will be coming in! The Big Mistake many people make with their online businesses. This mistake is the key between success and failure. If you avoid this mistake, youll make tons more money and make it a lot faster!
