As the city of Paris swelters in the grip of a summer heat wave, a serial killer dubbed 'The Butcher Best' stalks the dark streets of the great metropolis, despatching his victims with increasing brutality and savagery. Author Brian L Porter goes deep into the mind of multiple murderer Anton Bouchard, revealing the thoughts and the events that have shaped the life of that most heinous of society's misfits, the serial killer! This definitive collection of tales from the pen of the author includes a second tale of multiple murder in 'Breathing to Death', and also takes the reader beneath the ocean, beyond the stars, and deep into the cellars of an English country mansion. Finally, we are treated to a four chapter preview of Porter's latest novel 'Under Mexican Skies'. A truly remarkable journey through the mind of an extremely talented author!
