When Pippa is accepted as a trainee to a city law firm, she fondly imagines a life both cultivated and intellectual, rather than the crew of sleazy ambulance chasers she ends up with. Worse still, they know rather more about her private life than she would have liked, leaving her little choice but to accept some highly humiliating duties and help them out in areas which involve very little legal know-how and a great deal of having her knickers taken down. Then there's AJ, notorious diesel dyke and boss of a motorbike courier firm, who regards Pippa as her private property, and American businessman Hudson Staebler, who has his eye on Pippa's little sister.
