If you are like me, you love to get prophetic words. But if you put blind faith into the wrong prophecy it could open the door for the enemy to lead you out of God's will. All prophecy must be judged. But let's face it: Some prophecies are more difficult to judge than others. That's why I wrote Did the Spirit of Say That? In this book, you'll discover 27 different ways to explore the source of a prophetic word so you can discern what spirit is really speaking. You'll learn: How to sharpen your spiritual ears to God's voice, how to discern the spirit behind a prophetic word, how to respond to false or erroneous prophecy, how to recognize Jezebel's prophecies, how to steer clear of prophetic merchandisers, and much more!
