

First You Take A Leek: Recipes With A Gourmet Touch - , Virginia Carroll

It's not exactly an onion. And it's not a chive. The leek-big, simple, and often under-appreciated and misused-is in fact an indispensable flavor component to many of the most pleasing dishes that can be cooked in a kitchen. For those of us who have stared in amazement before the odd looking, elongated green and white vegetable in the produce department, this book offers a new understanding and appreciation for the leek. With recipes for leek and split pea soup, leeks au gratin, chicken-with-leeks casserole, among others, this entertaining cookbook intertwines recipes with humorous stories of leeks, life, and the love of food.
