You are probably wondering what I am talking about, right? I am talking about my website's "link popularity". Unless, you have been in hibernation or maybe not in the know, you should have heard about "link popularity and should be vary aware of what it means to YOU! What is "link popularity"? Very simply...Link Popularity is the total number of websites that have a link to your site. The more sites linking back to you, the better your link popularity is. The higher number the better! Link popularity is a term you need to get to know. Most major search engines don't rely on Meta-Tags anymore and base your search listings based upon your "link popularity. Don't you think you should know what yours is? Don't you think you should know what your competitor's is? Now you can right from your very own Desktop. You can now check your website's link popularity right from your very own desktop, with my new Link Check Generator! I created this product with very selfish reasons in mind.

You see, I have been watching my link popularity rise almost every week. The problem is, I had to go to some website somewhere to do it. This may sound simple to do, but it was very time consuming. Not only did I check my link popularity, but I have also have been monitoring ALL my competitors too. I wanted to know how they where doing in their marketing efforts as well. You could say, I was becoming a "secret agent" of sorts, the good kind of course. I needed a way to check this information that search engines hold in such high value, anytime I wanted and not waste my time in doing it. So I created Link Check Generator! Here is are 7 reasons why you need this product today! Secretly Spies On Your Competition! - "Keep your friends close and your enemies closer!" Ok, your competition may not be your enemy, but you get the idea. If you know your competition's moves first, you will know how to counteract it. Improves Your Search Engine Rankings - If you know how many sites are linking back to you now, you can increase your search engine rankings by simply finding ways to get more people to link to you. Increases your website traffic - By getting a higher ranking in the search engines under your targeted keywords, you will get more targeted traffic coming to your site. More traffic means more sales. "Armand, you've open my eye's. Your new 'LinkCheckGenerator' software is not only SIMPLE TO US, it's a time saver and profit generator at the same time. The more links online leading to your site...the more cash you will make. Now, I know when to work on my link popularity and where to try and get more links showing. Another Quality Piece Of Software Armand!" Raymond McNally - backpackmarketing.com Meta-Tags Are Almost Dead - Look at any search engine's information on their site and you will quickly find hardly any rely on the all mighty Meta-Tag any more. I still use them for the ones that do, and I recommend you still use them too, but they are a fading tool. Bonus Note: Even though most search engines don't use Meta-Tags anymore, you should still include them on your websites. I am even giving you FREE META-TAG SOFTWARE for ordering Link Check Generator today. Tracks Your Linking Progress - If you have a starting point, you can track your results that much better. With Link Check Generator, you will know from day one where you are and can now track how your campaigns are doing. "Armand, I am so impressed with your BRAND NEW "Link Check Generator" software!" I honestly could not stop checking out various web sites to see how just how popular they are! But, most importantly I really needed this program to calculate just how popular my own web sites are! By using "Link Check Generator" on a regular basis I can see whether or not I need to try different approaches to marketing my web sites and growing my links from other sites. I know my ranking high in the major search engines almost totally depends on how many

web sites linking to me. Higher ranking means higher sales! So, this is very important software. Thanks again for another perfect product!" Lynette Monrean home-business-reports Stores All Your Information - Link Check Generator was designed as a time-saving tool. It will store all your websites you are tracking. Not only yours, but your competitor's too!
