

Medication Management In Older Adults

[DOWNLOAD HERE](#)

From the reviews: This is a multiauthored guide, mostly by Australian authors, to medications for older adults. The audience here is broad - - pharmacists nurses, prescribers, and policy makers. The authors bring a wide range of knowledge to bear on the subject. There are a number of tables describing errors in giving medications to older persons and what to do about them. There is a useful diagram of adverse drug actions in older persons. This book discusses these things philosophically . (David O. Staats, Doody's Review Service, January, 2011) EAN/ISBN : 9781603274579 Publisher(s): Springer, Berlin, Springer Science & Business Media Discussed keywords: Alter, Arzneimittel Format: ePub/PDF Author(s): Koch, Susan - Gloth, F. Michael - Nay, Rhonda
