UNSIGNED HYPE.. (THE SOURCE MAGAZINE JAN/FEB '05) 16 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Hip Hop Street Edition Volumes 1&2 Songs Details: ATTENTION!!! "AKIR" (Source Magazine's Unsigned Hype) signs take with Viper Records (viperrecords.com) to Release the long anticipated album, "Legacy" Maybe it was the world-class concert he saw (Run DMC and the Fat Boys) or the world-class album he owned (Public Enemy) that sparked his originative flame for hip-hop. But it was the turmoil of his early surroundings and his life's struggles that ignited his hunger to develop into the artist "A.K.I.R." The acronym and the promise to Always Keep It Real, gave him a name and a prophecy to live by. AKIR grew up throughout New York City, DC, Massachusetts, New Jersey, Atlanta, and Maryland. The harsh realities of becoming a black man in today's world would prove to be a main catalyst. "They say that we're endangered species/ AKIR's thesis/ Is to survive 10x's 10/ not in a 10 by 10/10 times out of 10/ they got a plan for my hard rocks to have not/ have babies and start again..." THIS IS YOUR LIFE. AKIR world-class entered the hip-hop scene as an on-air personality with WNMH 97.9 (Mass.) in 1994. In 1998, he ranked 2nd out of 50 in Howard University's Verbal Armageddon emcee competition, and he guest appeared on DJ Arsonist's (Heat Makers) world-class mix tape release. Collaborating with partner SOUTHPAW (formerly Ray Dogz of Daddy's House Recording Studios) he co-produced "The Getaway" for Immortal Technique's Revolutionary Vol.1. AKIR released his world-class single "Best Friend" on DJ N'finit's mix cd The Blockbuster Vol. 1 (A One Enterprises Product) followed by the EP Street Edition Vol. 1. At the end of 2001, the project was added to, re-packaged and, distributed as Street Edition Vol. 1&2 helping "One" sell over 12,000 copies through an extensive street team network. Being recognized as #9 CMJ Hip Hop Music Charts (June 2004), and the cameo on "One Remix" for Immortal Technique's Revolutionary Vol.2 lead to AKIR's appearance on the Van's Warped

Tour (Summer 2004) followed by the honor of The Source Magazine's Unsigned Hype (Jan/Feb 2005). Currently, AKIR is working on his world-class major release, performing, and doing cameos. AKIR has performed with a diverse array of talented and legendary artist including: KOOL G RAP, THE GAME, MASTA ACE, SLUM VILLAGE, BRAND NUBIAN, BROTHER ALI, VAST AIRE, VORDUL MEGA, and IMMORTAL TECHNIQUE. AKIR's strongest influences include: the finesse of SLICK RICK, the mellow vibe and consistent originality of Q-TIP, the smooth delivery and GQ style of BIG DADDY KANE, the complexity and pietism of NAS, the rapid fire flow and intensity of KOOL G RAP, and the lyricism of RAKIM. "Spittin sparks of light, to guide you through the flight." CAN'T TOUCH HIM. AKIR's vocals are, to say the least, persuasive, melodious, and addictive. His flow is compelling and vividly euphonic with lyrics that are a testament to hip-hop in its purest form. Look for the new Vinyl Single!!! (POLITRICKS B/W Treason Ft.
