Fo-Town, that being an interesting hybridization of folk and Motown with a healthy side of Bakersfield during the summer of love. 13 MP3 Songs FOLK: Folk-Rock, POP: Folky Pop Show all album songs: A Better Life Songs Details: Annie's second CD, again produced and arranged by David West, is somewhat of a departure from her first venture, Fortunes Made. This effort has a bigger, more urban sound. Friend and co-writer Kate Wallace describes the feel as "Fo-Town" - a cross between Folk and Motown. Throw in a healthy side of Bakersfield, California during the summer of love (if you can even picture that) and you've got it. World class players made huge contributions to the production and there's not a sleeper in the bunch. Check 'em out.
