downsouth crunk hiphop 15 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Southern Style Details: BIO OF A.KS JD MAC and SMOKE DIESIL were previously formed under a group known as the BOYZ FROM THE BOTTOM. In 2004 the group gradually began to fade leaving behind two members who later reformed themselves to the ASCENDED KINGS, in 2007. We just decided from the previous year to form the unstoppable alliance and take over the music industry. JD MAC has the knowledge of the music industry, while SMOKE DIESIL has the experience with the production industry, combined with our explosive styles of lyrics and deliverance; our unity makes us a force to be reckoned with. Together weve recently released the album THE INEVITABLE which will catch everyone in our hood by surprise. So far, were moving unities at a fast pace, but what do you expect when you have two eminent talents working together. Both SMOKE DIESIL and JD MAC have 10 years of labor in the industry, our talent from growing with all odds against us, we still managed to pull ourselves up by the belt and continue to strive in excellence. SMOKE DIESIL is continuing to receive exposure for the group from Miamis underground stations and a couple of spins from some of the major stations in South Florida, such as, 99 jams, with his achievements its helping the project reach its full potential. JD MAC also has exposure to help promote the group from underground stations, South Floridas major radio stations. In addition to his achievements he also reaches out working with various states other than Florida such as New York, Georgia, etc. the more you spread your wings the further you get and the further you get heard. One advantage that we have as a group against other M.Cs is that our origin helps us protrude so we will have the upper hand. Until we reach our goal in the music industry, we will continue to create remarkable music and performing shows for the ones who love and support what we are striving to accomplish.
