21st century manic alternative pop 13 MP3 Songs POP: Jangle Pop, ROCK: Adult Alternative Pop/Rock  
Details: Busty Duck are Adelin Leclef (drums + percussion), Gatan Leclef (bass + vocals), Laurent Linard (vocals + guitar), Philippe De Brabanter (guitar + vocals). Like any rock band, we've played lots of pubs and youth clubs, but also larger venues in Brussels, Dublin and Texas (more about which). We played some mid-size festivals as well, mostly in Belgium. In 2004, we won the VerdurRock talent contest, among the major ones in Belgium. Our brand of MANIC POP has appeared on two compilations of the Irish label Sofa Records (2005 + 2006). In 2004, we released the improbably named album "Rockband with nonstop natural ultra lapinoo sound". Our new album "Dandyrama" was completed in May 2006, and was then mixed at Mindloop UK studio in London, where Alan Lee Shaw and Robbie Kelman took care of production. In March 2007 Busty went to Texas to play at Austins South by South West Festival and in a couple of cow-boy bars in Houston. Guess what ? We went down a treat. We're major stars in Galveston, Tx. The following month, the Duck finally hit the London stages for a couple of gigs at the Nambucca and the Buffalo Bar. Loads of electricity in the air.
