

Mp3 Cedar And Spruce (guitar Quartet) - Debut Album

[DOWNLOAD HERE](#)

This Canadian classical guitar quartet performs a diversity of music selections from around the world including some rarely performed contemporary works. 28 MP3 Songs CLASSICAL: Traditional, WORLD: World Fusion Details: The Cedar and Spruce Guitar Quartet originates from Ontario, Canada. They are one of Canada's foremost performing guitar quartets. The ensemble performs a blend of traditional guitar quartet favourites along with a sampling of musical styles from around the world. In their live performances they are always full of surprises as they move between genres that range from transcriptions of famous classical pieces to a pot-pourri of bluegrass, jazz, latin, celtic and other world music styles. Their debut CD was digitally recorded and mastered at Alan Shoemith's home studio in Maple, Ontario. The CD captures the intimate spirit of the group while showcasing the groups high level of musical perfection. Undoubtedly, guitar players, fans of guitar music and the average music listener will all find something to appreciate on this first CD by one of Canada's most exciting guitar ensembles.
