Related styles: NEW AGE: Relaxation, NEW AGE: Environmental People who are interested in Nature Sounds Dan Gibson Gordon Hempton should consider this download. Details: A 67-minute digital recording of a summer night at Hardings Beach. The ocean is glassy and calm, small waves gently nudge shells and pebbles at the waters edge, and the moon over Nantucket Sound creates a path of light so clear you could walk on it. Perfect for relaxing, sleeping, meditating, or give it as a gift to your favorite homesick Cape Coddier. The Cape Cod Soundscapes Series is drawn from the field recordings of Christopher Seufert and the Mooncusser Films audio archive. Mooncusser Films is an entirely independent film and video production company specializing in documentaries, educational programs, music video, and promotional projects. In addition to projects of their own design, the company has also been lucky enough to work all over the world with a great variety of people, including journalist Walter Cronkite, musician Suzanne Vega, the late illustrator Edward Gorey, actress Julie Harris, and filmmaker Al Maysles.
