Incredible is just that - with a mix of infectious pop, country undertones and heartfelt ballads, Daisy Hicks is rapidly becoming a household name around the world. 11 MP3 Songs POP: Pop, EASY LISTENING: Adult contemporary Details: Daisy is an English-born and Australian-raised singer/songwriter who has built up a media presence, peer and industry recognition and a growing fan-base in the UK, Europe, Japan and Australia Daisy is closely related to international recording star Chris Rea, her father was legendary jazz drummer Tony Hicks (Backdoor) and Daisy is an ambassador to the National Breast Cancer Foundation in Australia where she personally donates a percentage of proceeds to help raise awareness and find a cure. Her debut album entitled MISTRESS was produced by Aron Friedman (Backstreet Boys, Take That), released by Concept Music and distributed by Universal in the UK/Europe and Victor/JVC in Japan. MISTRESS was supported with the release of 3 singles to radio in these territories with extensive airplay on Radio 1, Radio 2, Capitol FM and regional stations, national TV exposure (London Today, Kelly Show and Nickelodeon) and national press. These singles also received radio airplay on some of the leading stations in Japan. Remixes of DONT EVEN GO THERE, HOOKED ON YOU, BACK ON MY FEET and MATCH MADE IN HEAVEN were well received in dance clubs in these territories and were released on numerous compilation CDs - in Japan, many remixes were released on compilations by Avex, Dome and Brown Sugar. UK-based girlband Cookie have recently re-recorded 2 songs from the Mistress album. Returning to Australia, Daisy established her own record label called Beautiful Soul Music in 2005 and set out to record her second commercial release entitled INCREDIBLE. Daisy co-wrote the new album with George MacFarlane (Gabrielle), Malcolm Maddock, Aron Friedman (Elton John, Kim Wilde, Backstreet Boys) and it was produced by UK-based Tim Ellis (Julian Lennon). The first 2 singles were released in Australia and have already proven multiple-format

radio success with IF I CANT MAKE IT and INCREDIBLE receiving airplay on over 150 commercial radio stations across CHR, AC, Hot CHR, Country, Gold and Easy Listening. The video for IF I CANT MAKE IT won 2 awards - the SILVER MEDAL for CINEMATOGRAPHY from the Australian Cinematographers Society 2006 and the Ross Wood Award for technical innovation! The next 4 videos from INCREDIBLE are currently in pre-production with the same award-winning production team and will be ready for release in 3rd quarter 2007. The new album INCREDIBLE has had great ambient success with international airplay in multiple satellite TV radio stations on Foxtel and Austar, Coles supermarkets, Westfield Shopping Centres, Virgin Blue and Qantas International in-flight programs, McDonalds, Hungry Jacks, Burger King, Subway, thousands of retail locations including Kmart, Officeworks, Target to name a few and hundreds of bars, pubs, restaurants and health and fitness centres across Australia! INCREDIBLE was featured on the LOGIES Australias TV awards program watched by over 1.5 million Australians. Daisy's music is also being heard by millions of people in the UK and Europe in thousands of top organizations including Asda, Tesco, McDonalds, Boots Pharmacy, Burger King, Subway and Esso to name a few. Daisy has shared the stage with artists like Boy George, Gabrielle, Womack and Womack and Gloria Gaynor in festivals in the UK and Australia, hundreds of gigs in some of the leading venues including Caf d Paris London and Soup Plus, Wine Banq, Woollahra Hotel Sydney. Daisy has recently signed a deal with Aardvark Records in the UK to secure licensing, promotion and distribution deals internationally and has many sub-licensing deals lining up in US, Canada, Europe, Asia and Australia. Daisys video IF I CANT MAKE IT has just been added to i-am TV the worlds leading independent music video channel airing in Malaysia, Singapore, Indonesia, Thailand, Philippines, Japan, Korea, Hong Kong, China, Taiwan, Australia, New Zealand, UK, USA and Canada. The next 4 videos from INCREDIBLE are set to air on I-AM TV and the Persian Music Channel upon their release in the next couple of months. Daisy co-writes all of her music and controls all her publishing globally with over 40 songs written, recorded and waiting. Major publishers in the UK, Europe and Australia have already expressed interest to represent and push Daisy's music inline with international album releases.
