Hard-driving soulful alternative rock tunes, sung by one of the most powerful new voices on the scene. 6 MP3 Songs ROCK: Funk Rock, BLUES: Rockin' Blues Details: What if Janis Joplin was Black? Because Black isn't always soul, blues, or gospel. Listening to Danielia Cotton, you're bound to believe: Black is rock and roll. Danielia has built a powerhouse alt/rock-blues sound that draws from influences like The Rolling Stones, PJ Harvey and Led Zeppelin. As 2 Walls Webzine has raved of her live New York sets: "That bluesy voice, her soulful guitar work and her cover girl face make her a triple threat." Having played cutting edge New York venues for the past three years Danielia has attracted a dedicated following. She recently completed a project with singer/songwriter Kevin Salem and has released her first official EP through Hipshake Productions. Danielia's debut full length album will be released later this year.
