Mellow and sexy with a touch of funk. 8 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Rhythm Blues Details: Shes one of the hottest women in the market now! She has her own individual style being sexy and mellow with a touch of funk. This girl is Hot! She's UNSTOPPABLE! Born and raised in Washington, DC, she assumed an interest in music as a small child. Singing has always been her passion. At a young age she would write songs and always surrounded herself with something musical while attending school. The desire to share her talents with the world has always been her dream. She joined a female rap group, by the name of Complexity, with two other ladies. They wrote music and recorded a demo. After several months of recording, Complexity split for undisclosed reasons. At a later date, she was asked to lay some tracks for a local rapper and childhood friend. She happily agreed. They worked together and did the recordings and shes been recording ever since. She completed her new CD titled Whyte Chocolate now available. If you're in the Washington, DC metropolitan area, the CD is available at TOWER RECORDS located at 21st I Streets, NW, Washington, DC or iHIPHOP Record Store located at 3225 Georgia Avenue, NW, Washington, DC and also at Bar Nun located at 1326 U St., NW, Washington, DC.
