Acoustic guitar Music rooted in Folk and Blues traditions 13 MP3 Songs BLUES: Acoustic Blues, FOLK: Folk Blues Details: Bad Dog is an eclectic project combining largely acoustic instruments and vocals infused with elements of many musical traditions. I have been creating poetry and music in many forms for over twenty years and I continue to explore the expressive possibilities of many instruments. This album is a mixture of home recordings and studio sessions captured in digital formats between '94 and '99. Track 7 (Silhouette) is one of my earliest guitar compositions dating back to 1986. It remains in its simplest form.
