## **Mp3 Emaluna - Heartfire**

## **DOWNLOAD HERE**

Lyrical bliss, amazing harmonies...songs of truth and the human spirit. 13 MP3 Songs FOLK: Modern Folk, NEW AGE: Healing Details: From living as a shepherd on a Native American Reservation to stand against mining corporations with indigenous elders , to a cave in Costa Rica exploring ancient wisdom in a wilderness ashram and hiking naked through the jungles, Trekking the Himalayas and walking the streets of Katmandu, Emaluna has gathered experiences from all corners of the Earth. Through she first started playing guitar 6 years ago in Italy, Emaluna has been writing songs and poetry since she can remember. Inspired by the mystics, her quest has taken musical form. With songs of devotion, love, darkness, and transformation, her lessons learned, and all relations are explored full circle in pure poetry through her album, "Heartfire".
