HIP HOP/RAP: Hip Hop, HIP HOP/RAP: East Coast Details: Miraculous Entertainment (M.E.) is an organization that amuses, pleases, and diverts thru the direct agency of almighty power, and not by natural causes. We provide creativity in all genres of music. Instead of selling our products through sex, drugs, and violence we're rerouting and changing the imagery. Gamepro Bio: I have been rhyming for 7 years now. I started out in high school with a group named DDC. Once I arrived in college, I hooked up with Slide Jackson and Wes Craven and we formed the group GCL (Grimy Cat Life). In 2001, GCL and myself came out with a series of music CDs displaying our musical talent. That musical collection ("The Trilogy" is what I call it) consisted of three CDs that brought forth a unique, positive, and uplifting sound to the hip-hop world. In early 2002, GCL and Chevy Brougham merged with Fed-Up entertainment. We created the group named SFL or Soldiers Field League. SFL interests as a group/team is to become one of the most influential hip-hop groups of all time. We plan to bring to the world clever lyrics along with soul moving beats. We each have our own unique style that makes our blend as a group dynamically astonishing. My personal interests as an artist is to uplift the minds of the mentally dead. My goal is to spread knowledge thru my lyrics, and hopefully put an everlasting positive effect on someone's life. My name itself explains what I stand for: Goodness And Maturity Equals Positive Reactions by Others.
