Singer/ Songwriter Hoi is a touch of Sarah McLachlan with a kiss of soul. 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: Today's Top 40 Details: Singer/ Songwriter Hoi is a touch of Sarah McLachlan with a kiss of soul. She is on a mission to inspire and encourage with a pure voice, heart-felt lyrics, and catchy instrumental hooks. With every song self-penned, listeners are sure to catch a glimpse of her optimistic view of life. Her message is hope and that hope is embedded in each song. It hasn't always been easy for Hoi, who has overcome many obstacles to get to where she is today. Raised as a Buddhist, Hoi found Christ at eleven years old. She faced relentless opposition as a result of her conversion, but she never gave up on pursuing what was important to her. Her passion for music even allowed her to overcome her fight with asthma. When asthma threatened her every breath in her teenage years, she was almost forced to give up her dream of singing. "Asthma has taught me to appreciate every breath I take, and it is nothing short of a miracle that I do what I do today." Convinced, the album, is a collection of songs that penetrate the heart. "I'm not into writing "fluff" that just sounds good, but lacks depth. I'm not under any pressure to be someone I'm not, and my goal is to accomplish my mission." For Hoi, being a recording artist is not a game of fame and numbers. "Success is not how much money I make, or how many people show up at my concerts. I experience the joy of success every time someone tells me a song I wrote has impacted them in some way. When my music ceases to make an impact on lives, I'm going to stop writing and singing."
