Power pop with a heavy classic rock influence. 10 MP3 Songs ROCK: Modern Rock, ROCK: Classic Rock Details: Itchy Trigger Finger is the previous project of Barb Morrison and Doug Steinberg, currently in Action Figure 8.. This NYC based pop-rock band writes and performs songs that know when to whisper and when to roar. The band has performed its dynamic live show with Ben Folds Five, Hole, Sonic Youth, Sinead O'Conner, Elastica, Coolio, Mighty Mighty Bosstones and Cypress Hill. ITF regularly performs at esteemed NYC venues Mercury Lounge, Brownies and Continental, and has toured with the Lollapalooza festival. In December of 2000, ITF completed a ten song self-produced release entitled Itchy Trigger Finger 2. Barb has recently been seen scoring the soundtrack to The Safety of Objects starring Glenn Close and Joshua Jackson, while Doug has been spotted producing and recording New York City's finest bands, such as The Wobblies and members of The Lunachicks. NOTE: This album is out of print, but available on Apple iTunes and many other digital music stores.
