Rocking Ruckus with his all original Children's music! People say to Jammin' Jim, "when are you ever

going to grow up", and to that he ask, "why would I ever want to do a crazy thing like that". Entertaining

audiences of all ages with his all original Children's music is why Jammin' Jim Sanders was put here on

this Earth. Jammin' Jim's album, "My Chair is a Plane" is a local (Burlington, VT) favorite and songs such

as, Bounce Boogie, the Boo Boo Song and Put Your Things, always have parents saying things like, (a

quote from a satisfied customer)"It's about time I hear a children's CD that when my child isn't around I

find myself slipping it into the CD player and rockin' out to it, Bravo Jammin' Jim"!!! A Word From Jammin

Jim... If one of my musical notes, one of my lyrics or if there is something I might say at one of my shows

touches the heart of a child (and or the child inside an adult) and, it makes them smile, I have done my

job:) I was raised by a Dad who had a great sense of humor and who was always in touch with the 7 year

old inside him (heck, he 74 now and he still acts like a kid) and as they say the apple does not fall far from

the tree. In my early 20's I had nine nieces nephews... They were the inspiration for me to start writing

and singing Children's music. With them the songs came effortlessly. As time past and I started a family

of my own, the passion for entertaining Children became more than just a passion, it now had a more

deep and meaningful purpose. The look in my daughters' eyes said it all, it did not matter if I was playing

a "huge" concert or simply singing them a personal lullaby, it became more meaningful and fulfilling and

(as I mentioned above) it had a new purpose. Please take the time to listen to my Children's music and

EnJoY!!! If you carry your childhood with you, you never become older. Tom Stoppard So, like a forgotten

fire, a childhood can always flare up again within us. Gaston Bachelard Kidding around with all the kids on the block, having so much fun we never want to stop, Imaginations running wild, laying in the grass making faces out of clouds. Jim Sanders
