Details: Composed of three of the most talented artists in the Midwest, Kaotic Minds is poised to change the way we look at hip-hop. With the freshman release The Movement, Black Watch LLC brings honesty and integrity back to an industry whose current focus is material, sexual, and filled with outright lies and misdirection. In an era when hip-hop has disintegrated into boastful trash-talking about money, women, and grillz, Kaotic Minds brings a hard-hitting honest look at life through the eyes of the common man.
